

Policy Title: **Changing out Plumbing Pipes**

Policy Number: **2015-06**

Effective Date: June 12, 2015

Approved By: Y. W. Odewo
Building Official

Approved Date: 6/22/2015

Description: This policy letter implements how the Department of Growth Management Inspections Division determines how to charge for a plumbing permit when the plumbing pipes are being changed out.

Application: This policy applies to plumbing permits.

Policy:

General:

A Plumbing Permit to change out the plumbing pipes in a building will be calculated by the number of fixtures, base fee and surcharge fee.
