

Okaloosa County Growth Management

Notice of Asbestos Renovation OR Demolition

Asbestos demolition and removal in Okaloosa County require compliance with Florida Department of Environmental Protection (DEP) regulations, including submitting a Notice of Renovation or Demolition (DEP Form No. 62-257.900(1)) 10 days prior to projects. Licensed contractors must handle abatement for non-residential, public, or commercial buildings, while specific exemptions exist for residential properties as outlined in the instructions of the required form.

ACKNOWLEDGEMENT

I understand that work CANNOT begin without compliance with FL Statutes 469 Asbestos Abatement and that non-compliance may result in a penalty up to Five Thousand Dollars (\$5,000) per violation.
